

Cookie Files Policy

1. When a User visits the service www.skanska.blpoland.com, the service system sends to the User's computer at least one Cookie file to identify the browser unambiguously.
2. The service server automatically registers information sent by the User's browsers when websites are displayed. The servers logs may contain such information as web request, IP address, browser type and language, date and time of sending the request. This information lets us raise the level of our services thanks to identifying and storing the preferences of Users and trend tracking, such as for example methods, in which our website is searched.
3. The service uses Cookie to:
 - a) remember logging in;
 - b) remember preferences of Service display;
 - c) prepare statistics and viewing reports of the Service functioning.
4. The user may forbid the collection of cookie files, which will make him anonymous, but disabling the registration of cookie files, the service www.skanska.blpoland.com will not be able to identify the User or his preferences.
5. To configure the option his device in the scope of granting a consent to register cookie files and to specify the scope of registered cookies, the User may change the settings of the used Internet browser.
6. The Administrator informs that a failure to change the settings in the scope of cookies means that they will be placed in the User's end device. In such a case the Service may store information about the User's end device and obtain access to this information.
7. Information on management of Cookie files in particular browsers may be found on websites dedicated to particular browsers:
 - a) Firefox: <http://support.mozilla.org/pl/kb/ciasteczka>
 - b) Internet Explorer: <http://support.microsoft.com/kb/196955/pl>
 - c) Chrome: <http://support.google.com/chrome/bin/answer.py?hl=pl&answer=95647>
 - d) Opera: <http://help.opera.com/Linux/12.10/pl/cookies.html>
 - e) Safari: http://support.apple.com/kb/HT1677?viewlocale=pl_PL&locale=pl_PL
8. The following cookie files are used in the framework of the www.skanska.blpoland.com service:
 - a) Facebook advertising system responsible to remember the webs visited by the user and further display of advertisements in the Service.
